

BOARDING AT ST. JAMES' SCHOOL

Welcome to St. James' School, where our newly refurbished boarding house creates a fresh, comfortable and enjoyable environment for our pupils. This recent refurbishment has allowed us to relaunch our boarding provision with flexible options for both short term and long term stays, from as little as one to two weeks. Our small, inclusive boarding house prioritises a personalised approach, ensuring that every child, including those with special educational needs, receives dedicated support to feel happy and comfortable while away from home.

With affordable pricing and personalised care, St James is an ideal choice for students seeking a warm, supportive, and enriching boarding experience.

SHORT STAYS

Our short stay provision allows our boarders to stay with us from as little as one to two weeks. Our immersion programme allows pupils to be fully integrated into school life, whilst also benefiting from a tailored programme designed to ensure that they get the very best out of the stay. This will include provision to enhance their level of English, as well as ensuring that they have plenty of opportunities to develop their academic and social skills-set.

“ Not only is it an excellent school in terms of class sizes and quality of education, but it embodies etiquette, high standards and sense of belonging to an establishment steeped in history... ”
